

LEGEND.

- Former semi regional gravity station
- △ First order Trig. station.
- Roads.
- Railways.
- Gravity contours. (Contour interval 1 Milligal).
- Bore hole
- Dome-Frame bore hole.
- Oil bearing area.

NOTE.

Contours show Bouguer values relative to an arbitrary datum. An average density of 1.887 has been assumed for rocks between station site and sea level in reduction of gravity values.
