

## LEGEND

- |   |                             |
|---|-----------------------------|
| I.E.S. Induction - Electrical log.                        | M.L.C. Microlog - Caliper   |
| B.S.G.R.C. B.H.C. Sonic / Caliper /<br>Gamma Ray logging. | L. Laterologging            |
| F.D.C. Formation Density log. (composition)               | C.D.M. Continuous Dipmeter  |
| S.N.P. Sidewall Neutron Porosity.                         | T. Temperature Logging      |
|   | C.B.L. Cement Bond logging. |

Note: All logs have been run on two scales 1. 1" = 100' (1/1200)  
2. 5" = 100' (1/240)

Drawing No 2222
