David Taylor,

TUNA-1

SPECIES LIST.

TUNA-1-1

	3000' - 3000'					3500' - 3550'								4000' - 4000'				4400' - 4400'
CALCAREOUS BENTHONICS																		
Cibicides thiara																		
Sphaeriodidina bulloides																		
Cibicides refulgens																		
C. opacus																		
Cassidulina spp.																		
Bolivina sp. 4																		
Uvigerina sp. 3																		
Uvigerina sp. 5																		
Lenticulina mamilligera																		
Gyroidinoides zealandica																		
Notorotalia howchini																		
Lenticula spp. (smooth)																		
Anomalinoides procolligera																		
A. macroglabra																		
miliolids																		
Gyroidinoides zealandica																		
Astrononion centroplax																		
Cibicides brevoralis																		
Bolivina sp. 13																		
Uvigerina sp. 9																		
Oslangaria sp.																		

no calcareous benthonics

no fauna found
