Dear Diana

Please find submitted field tapes (3490 Cartridges) for the seismic surveys listed below for permanent storage at Kestrel Information Management. They are to be stored in your 'Vault' Storage (fire proof, temperature controlled, humidity controlled).

These cartridges have been barcoded, photocopied and await cataloguing by the Petroleum Development Unit once we have your storage location details for these boxes.

Please find following a listing of Petroleum Development Unit 'PE' ID numbers for the contents of this box.

BOX 1: OCV00 Curdie Vale 3D Seismic Survey	PE035022 – PE035043	TCC 15271
BOX 2: OCV00 Curdie Vale 3D Seismic Survey	PE035044 – PE035073	TCC 15272
BOX 3: OCV00 Curdie Vale 3D Seismic Survey	PE035074 – PE035103	TCC 15273
BOX 4: OCM00 Camerons 2D Seismic Survey	PE005332 – PE005354	TCC 15274

Please feel free to contact me if you have any queries regarding the above matter.

Kind regards

Dee Ninis
