Dear Phil

***Petroleum (Submerged Lands) (Data Management) Regulations 2004***  
**Data Management Plans – Exploration Permit VIC/P 55**

Please find enclosed Santos' DMP for the above Exploration Permit for your approval.

This DMP satisfies the regulations and complies with the guidelines regarding DMPs and it is our goal that rather than be individual-activity based the DMP should cover all activities/data/reports that are likely to occur for every tenure that Santos operates. This will minimise paperwork and effort in managing the DMP process, both internally and externally, ensuring consistency of the DMP irrespective of internal Company responsibility.

The Joint Venture is fully supportive of this approach and we are lodging the enclosed DMP on behalf of the Joint Venture.

Do not hesitate to contact me on (08) 8218 5631 or Craig Gumley on (08) 8224 7128 should you have any queries regarding this matter.

Yours sincerely,

David Gaudoin
